

Catalogue of ELDAC references for HealthPathways

This is your cheat sheet to referencing the appropriate ELDAC resources in your HealthPathways.

Including links to ELDAC resources within HealthPathways will ensure clinicians have easy and efficient access to evidence-based information and tools to achieve excellent palliative and end of life care.

In the below table, the name of common HealthPathways have been listed alongside links to ELDAC webpages that contain information relevant to that HealthPathway.

High level ELDAC references

- **End of Life Directions for Aged Care (ELDAC)** (<https://www.eldac.com.au/>)
Information, guidance, and resources for health professionals and aged care workers to support palliative care and advance care planning to improve the care of older Australians.
- **Primary Care Toolkit** (<https://www.eldac.com.au/tabid/4900/Default.aspx>)
Evidence-based resource for people working in primary care.
- **Residential Aged Care Toolkit** (<https://www.eldac.com.au/tabid/4901/Default.aspx>)
Information and guidance to support palliative care and advance care planning in residential aged care.
- **Home Care Toolkit** (<https://www.eldac.com.au/tabid/4899/Default.aspx>)
Information and guidance to support palliative and end of life in home care.
- **End of Life Law Toolkit** (<https://www.eldac.com.au/tabid/4902/Default.aspx>)
Provides practical information and useful resources about the law at end of life for the aged care sector.
- **Linkages Toolkit** (<https://www.eldac.com.au/tabid/5098/Default.aspx>)
Guide to establish or improve linkages between aged, primary and palliative care services.
- **ELDAC Common Clinical Tools** (<https://www.eldac.com.au/tabid/5667/Default.aspx>)
Twelve clinical tools which are common to most ELDAC Toolkits.
